Alternate Care Rebate Customer Equipment Return Instructions

1. Thank you for completing your on-line rebate form. You must print a copy of your submission and place one copy in **every** box you send, if submitting multiple qualifying AEDs.
2. When ready to return your trade in equipment, please pack only AED units (no pads or batteries necessary).
3. Clearly mark the outside of all return packages with the following: **Alternate Care Rebate Program**
4. Ship all packages to the address listed below. Customer assumes responsibility for the shipping and packaging of the rebate equipment at the quantities listed on their rebate submission form.
5. Maintain your tracking number for your records as well as to ensure the units are shipped to the location below.
6. Your rebate check will be mailed in 60-90 days post receipt of qualifying AED Units and verification of intake form.
7. Shipments must come from the end-user/customer and the quantity of submitted AEDs must be equal to or lesser than the quantity of new ZOLL AEDs purchases through Alternate Care authorized distributor partners only.

Terms & Acknowledgment

By submitting rebate AEDs to the Alternate Care Rebate Program, I certify that the information on my submission form is accurate and that my new AEDs were purchased from the approved Alternate Care Distributor network. I understand that units submitted without proof of purchase from an authorized ZOLL Alternate Care Medical/Dental Distributor may not qualify. The qualifying rebate AED(s) must accompany the new ZOLL AED(s) serial number(s) to receive rebate credit.
